# GENERAL INFORMATION

**Competition Venue: Regatta Course PLOVDIV, Bulgaria**

**Dates: 26 - 29 July 2018**

**Events: Canoe Sprint – in accordance with the ICF rules**

**Plovdiv is one of the oldest towns not just in Bulgaria, but also in whole Europe. This is the second largest city in Bulgaria, after Sofia. It is situated in the western part of the Gorno Thracian lowland, on the two banks of the biggest river in Bulgaria- Maritsa and on top of six unique syenite hills- “tepeti”. The city is situated 150 km east of the capital of Bulgaria- Sofia and 270 km west of Bourgas. Layers of cultural treasures from prehistoric, Thracian, roman, Byzantine, Ottoman and revival periods can be found in the region.**

Recently Plovdiv was proclaimed the oldest continuously inhabited city in Europe and 6th in the World. It is 8000 years old. In 2012 the City of the Seven hills, as often Plovdiv is being referred to, was included under #3 (following Rome and Athens) in “Top 10 of the most beautiful ancient cities in the World”. No wonder “The New York Times” called Plovdiv “ A Roman Grande East of Italy”.

The Ancient Theatre is one of the highlights of the city – heritage from the Roman Era. Originally built in the 1st century AD, now it is the biggest open-air stage on the Balkans with capacity of 3500 people. More than 15 international festivals take place here.

Another remarkable site bequeathed to Plovdiv is the Roman Stadium. With its impressive size (total length 240 m and width 50 m), the Stadium had the capacity of 30 000 people. Now, after the recent reconstruction it finds its way into the hearts of both citizens and tourists. Just 5-minutes-walk from the Stadium is the Ancient Forum with the Odeon. More than 200 coins and a marble statue were found there during recent archaeological researches. Plovdiv average temperature in July is around 31 °C
